Summary: A poem inspired by Animorphs about the end of the war. I first wrote this for CFB. Long for a poem

One last time

One last time **

>One last time

>
One last time

>We stand here together
One last time

>Before the day

>When the fighting finally ended
When the world finally knew

>When the enemy finally perished
And I finally let go

>
One last time

>The way we were
One last time

>Flying through the air

>The world below us
The sky above

>The past behind us
And the future not known

>
One last time

>Blood is spilled
One last time

>Fates are sealed

>Lives are changed
Lives are lost

>Lives are saved
But others are the cost

>
One last time

>We will know
One last time

>Before we go

>What we did
What we knew

>What we said
What did it do?

>
One last time

>We will go
One last time

>We will do

>On this night
We will say

>Together we fight.
This is the day
